Dear Mr. Shashidharan.

I read the first few poems, I was most impressed by your compositions and would be happy to see them in print.

Unfortunately there are few takers for poetry and publishers are reluctant to invest their money in books of poetry. Publishing at our own cost is self-defeating as reviewers take no notice of them. So you will have a job finding a good honest publisher. I cannot help you find one.

I wish you the best of luck

you
