2<sup>nd</sup> April 2010

Dear Mr. Sasidharan,

Your book "Whispering Mind" is very interesting to read. These poems cover all important aspects of life. Your compositions are most impressive and understandable by everyone. This book not only makes the people feel so happy while reading but also helps to develop the right framework of mind to take life in positive strides.

With best wishes,

Your's sincerely,

  
Nara Chandrababu Naidu
