Dear Mr K. P. Sasidharan,

I found your *Whispering Mind: Eternal Love Story of Yin and Yang* as a collection of almost deceptively simple poems, yet holding within them eternal questions that man has grappled with from time immemorial.

Going beyond just talking about the ordinary, you have managed to delicately weave the story of the ancient forces Yin and Yan, Babe and Darling, while confronting contemporary issues ranging from the rampant destruction of Nature to the man's legacy today.

Profound and immensely readable, this is a collection that feeds the soul as well as the mind.

With warm wishes,

Yours sincerely,

(R. PRASANNAN)
